

YOUR IDEAS

FOR THE CONTINUATION OF THE PROJECT

WHAT COMES NEXT?

PILOT PROGRAMME:

- Weekly events involving refugees in youth centres across Latvia & Lithuania
- June through November '17

WHAT DO WE NEED TO DO?

Provide recommendations on:

- (1) how to best involve refugees into youth work & how to motivate them take part
- (2) how to avoid possible cultural clashes (what preparation to give to YW, the young, refugees)
- (3) how to make such cooperation enjoyable for everyone involved (refugees, YW, youngsters)
- (4) how to use this for better refugee integration (make them build up social ties, become less afraid of public)
- (5) Also: what we have learned during this training? What could be usable later?
- (6) What will be your next steps regarding refugee integration (through YW)?
