

World café

One moderator remains at the table; while others change clockwise, yet stay in the same group. **8 minutes** per topic. Afterwards, the moderators present what was discussed (2-4 minutes each). Topics:

- 1) Is it possible to completely integrate Middle Easterners in to European societies? Or maybe complete integration is not necessary? How do you imagine perfect integration?

- 2) Do refugees have unique skills/competencies that could be used to benefit the hosting countries? For instance, improve local youth work or start their own unique business ideas.

- 3) EU's refugee relocation scheme: is it a good or bad idea? Is it working in the Baltic states / other countries of EU? Your reasons why?

Be ready to present first! Please avoid things already mentioned and respect the time limit.
